I feel the anger that many Trump supporters had that day, and we were definitely, infiltrated by feds, and some Antifa, was justified.

1. The illegal voter harvesting etc.,

2. But also, b/c we watched Democrat Politicians cheer on the destruction of OUR CITIES for months!! 🇺🇸

Media during Capitol breach. "Have you ever seen anything like this?" Um, yeah... we watched \$2 Billion in destruction and 20 people murdered.

The real villains in America aren't Black people. They aren't white people. They aren't Asians. They aren't Latinos. They aren't women. They aren't gays.

They are the radical "journalists," "teachers" & "professors" who do nothing but sow division between the American people.
